A Non-Profit Dedicated to Helping Soldiers and Veterans With VA Processes By Connecting Them With Elite Medical Providers

At the New Jersey Veteran Service Alliance (NJVSA), we realize the difficulties veterans face in obtaining medical treatment from the Department of Veterans Affairs, including long wait times and inconvenient locations.

To overcome these obstacles, NJVSA has partnered with various medical and mental health practitioners throughout New Jersey to ensure veterans receive essential care. Our affiliated practitioners can also provide supporting evidence for disability claims with the Department of Veterans Affairs when needed.
